I have not attached any documents though I would like to. I would also like to include all of my communication with the Department of Justice and how I was told that an internal investigation would ensue which to my knowledge hasn't been done. If the Department of Justice doesn't handle these matters I would like to know why Elizabeth Lahey had me sign release forms for the DOJ if it isn't their area why was that required? I am confused. Please tell me where to forward said documents I have submitted them into the Federal court in Concord New Hampshire and can send them to you as well. I still have yet to receive a response as to how the hearing impaired can participate in the public forum and if accommodations for the hearing impaired will be provided per ADA regulations thank you
