Dear Commissioners,

I have listened to the testimony of Mr. Anthony Pivero a number of times now. Mr. Pivero clearly says "Black" not "Dark" people. In fact even the recorded text, which has numerous errors in it, shows the word "Black". My wife has also listened to the testimony a few times now and also clearly hears "Black".

Just listening to the content of Mr. Pivero's testimony it is blatantly obvious that he would like to see more people of color on the police force so that the force reflects the diversity of the community.

I respectfully ask that Mr Joseph Lascaze, Ms Ahni Malachi, and Attorney General MacDonal listen to the testimony again, and then correct their statements regarding Mr. Pivero's testimony. Your misunderstanding, and subsequent statements have caused a lot of hurt. Thank you.

Respectfully,
James Mason
