<b>A. TRAINING</b>	
<b>I. Required Training to Maintain Law Enforcement Officer Certification</b>	
1. As soon as practicable, NH PSTC, with input from all relevant law enforcement agencies, should pursue all actions necessary, including emergency rulemaking pursuant to RSA 541-A, to amend existing administrative rules to provide as follows:	
1-A. Increase the mandatory number of hours of annual in-service training for law enforcement officers on an incremental basis over the next three years. By January 1, 2024, the total mandatory hours of annual in-service training should be a minimum of twenty-four (24) hours.	<p><b>Proposed rules submitted to JLCAR. Proposed rules approved by PSTC on December 15, 2020. Presently the scenario training at the recruit academy is 76 hours as scheduled. We are in final stages of council approval to bring back live dosing labs to augment DWI detection class. Once full approved, recruits will have the ability to conduct SFSTs on dosed subjects. We anticipate further increases once the JTA is completed and a deeper review of the academy curriculum can be conducted. This will be an ongoing effort for the next 12 to 18 months.</b></p>
1-B. Mandate that annual in-service training as approved by NH PSTC include, at a minimum, two (2) hours on each of the following topics: <ul style="list-style-type: none"> <li>i. Implicit bias and cultural responsiveness;</li> <li>ii. Ethics; and</li> <li>iii. De-escalation.</li> </ul>	<p><b>Proposed rules submitted to JLCAR. Proposed rules approved by PSTC on December 15, 2020. The final adoption and anticipated completion date is dependent on the JLCAR process. All mandatory in-service training listed above is ready and we will be delivering each of the three classes at the NH Association of Chiefs of Police summer conference this year. Further, we will be offering these classes in a webinar style using Zoom technology to reach as many as possible. Each topic will be offered a number of times during a particular month. Finally, NH BET from the NH Department of Administrative has completed one of the three on-line learning modules so officers can take the training online. They have begun work on the remaining two classes. This has been completed by the Liquor Commission. State Police completed additional training on de-escalation and is in progress on training on ethics and implicit bias.</b></p>
2. Beginning January 1, 2021, strongly encourage all law enforcement agencies to require their officers to participate and receive, at a minimum two (2) hours annually, of training in the following areas: <ul style="list-style-type: none"> <li>a. Implicit bias and cultural responsiveness;</li> <li>b. Ethics; and</li> <li>c. De-escalation.</li> </ul>	<p><b>Completed.</b></p>
<b>II. NH Police Standards and Training Council General Recommendations</b>	

Title of Recommendation	Current Implementation Status
<p>3. NH PSTC should arrange for a Job Task Analysis (JTA) for entry-level law enforcement officers and entry-level corrections officers, and based on those findings, conduct an overall review of the present academy curriculums. Based on curriculum changes found by the JTA, an extension of the length of the police academy beyond its current 16 weeks may be warranted.</p>	<p><b>JTA in progress. Anticipated completion date prior to August 2021.</b></p>
<p>4. NH PSTC needs to leverage technology and be allowed to purchase and deploy a robust database management system and on-line learning platform for the twofold purpose of: 1) maintaining a full record over the course of an officer's career of his or her training completion, any incidents of sustained misconduct, movement from one agency to another and/or decertification, and 2) to develop and deliver standardized on-line training to all law enforcement officers in an efficient and economical way.</p>	<p><b>PSTC has purchased software from Benchmark Analytics and is working to customize it. Anticipate that the training software will be operational by June 1, 2021. Record management system may take longer to implement.</b></p>
<p>5. NH PSTC, in collaboration with other law enforcement agencies, using nationally vetted best practices as set forth by IACP, CALEA, PERF, and NOBLE, shall create policy guidelines on the following topics that serve as a minimum standard with which all law enforcement agencies must comply:</p> <ul style="list-style-type: none"> <li>- Use of Force</li> <li>- Duty to Intervene</li> <li>- Code of Conduct</li> <li>- Duty to Report Misconduct</li> <li>- Prohibition of Chokeholds</li> <li>- Procedures to Guard Against Positional Asphyxia</li> </ul>	<p><b>Nationally vetted position papers developed by the IACP and PERF on each topic have been posted online. The Model Policy on the Use of Force has been drafted and is being reviewed by the NHDOJ, NH Chiefs of Police, and the NH Police Association.</b></p>
<p>6. NH PSTC should increase the number of hours of scenario-based training in both academy and in-service settings.</p>	<p><b>Completed. PSTC has increased the number of scenario and deescalation training by 15 hours. These hours will further increase over the next 12-18 months.</b></p>
<p>7. NH PSTC should improve and augment police academy training on diversity by conducting a review of the present lesson plan on cultural dynamics, and amend it to properly address the topic. Training to be developed with one or more community partner(s).</p>	<p><b>Completed for the January 2021 academy session.</b></p>
<p>8. NH PSTC should improve and augment police academy and in-service training on implicit bias and procedural justice by adopting the IACP recognized Fair and Impartial Policing training or similar type training.</p>	<p><b>Completed. Increased training on Cultural Dynamics and Implicit Bias from 2 hours to 16 hours.</b></p>
<p>9. NH PSTC should improve and augment police academy and in-service training on de-escalation techniques by adopting the PERF's Integrated Communication and Tactics training (ICAT) or similar training.</p>	<p><b>Completed.</b></p>

Title of Recommendation	Current Implementation Status
10. NH PSTC should improve and augment police academy training on police ethics by re-instituting the Ethics block of instruction.	<b>Completed.</b>
11. NH PSTC should improve and augment police academy and in-service training on the duty to intervene by adopting Georgetown University's Active Bystandership Law Enforcement (ABLE) training, (formally known as EPIC training) or similar training.	<b>Completed. A new course was added to the PSTC curriculum, making New Hampshire the first state to do so as a state-wide initiative.</b>
12. NH PSTC should include in its instruction State of New Hampshire v. Jones (decided January 10, 2020) and any other State court decisions where race or protected class was a matter the court considered while reaching its decision. These cases should be part of the lesson plan in those relevant topic areas that are already delivered. An attorney from the Attorney General's Office will be dedicated to teach at NH PSTC and regularly update materials.	<b>In progress. PSTC anticipates that the incoming NHAG will address this mandate and will be dependent on the availability of an attorney to review our present lesson plan on Search and Seizure.</b>
13. Recognizing that certain NH police agencies need to rely on part-time law enforcement officers, NH PSTC should re-evaluate the Part-Time Police Officer certification process upon receipt of the JTA and consider extending the length of such training and give certain consideration to what law enforcement functions part-time officers be allowed to perform.	<b>In progress, awaiting JTA's completion prior to August 2021.</b>
14. NH PSTC should amend administrative rule POL 301.05 Background Investigations to mandate that background investigations specifically vet police recruit candidates in the area of having demonstrated outward bias toward a protected group by way of past history, behavior, affiliation with a subversive group, social media posts and other objective sources to help determine the overall fitness for duty the candidate possesses and to consider those findings in the overall decision to hire the candidate.	<b>Proposed rules submitted to JLCAR. Proposed rules approved by PSTC on December 15, 2020. The final adoption and anticipated completion date is dependent on the JLCAR process.</b>
<b>III. Other Recommendation</b>	
15. All law enforcement agencies should be encouraged to pursue CALEA accreditation. In the absence of CALEA accreditation, agencies should continually review and maintain policies consistent with nationally accepted best practices under Section C:1-a-1.	<b>PSTC published a list of CALEA accredited law enforcement agencies.</b>

To promote a uniform approach to investigation and prosecution of alleged criminal conduct by government officials, including law enforcement officials, establish by statute, a dedicated Public Integrity Unit within the Attorney General's Office with permanent and sustainable resources, including full-time attorneys, paralegals, legal assistants, and investigators.	<b>Completed. The House Budget funded the position beginning January 1, 2023. In the meantime, the Department is continuing with the recruiting process contingent upon approval of funding. We will be monitoring the progress of the budget to see if the funding date changes.</b>
20. Amend RSA 33-A:3-a, CVIII to require "police, non-criminal-internal affairs investigations" to be retained, at a minimum, for a period of 20 years after retirement or separation.	<b>Legislation introduced. (SB 96)</b>
