| 20-25 mins   | Continue discussion of Performance Characteristics Framework Core Questions  
                  The PCF core questions will address the following general classes of information:  
                  • Prevalence of opioid prescribing  
                  • Volume of opioids prescribed  
                  • Indications and procedures for which opioids are prescribed, including coding and reimbursement  
                  • Patients receiving and filling opioid prescriptions  
                  • Brands and formulations of opioids prescribed  
                  • Opioid dispensing and related behaviors | Chris Teixeira                   |
| 40-55 mins   | Discussion of Data Sharing:  
                  • The value of aggregated heterogeneous data  
                  • The status of proposed data sharing legislation in New Hampshire  
                  • Other studies | Chris Teixeira  
                  **Tyler Brannen**, (NH Insurance Department)  
                  **Helen Hanks**, (NH Department of Corrections)  
                  **Michelle R. Ricco Jonas**, (NH PDMP) |
| 5-10 mins    | Next steps, reading materials and wrap-up. Request for Council members to provide their Bios prior to the next meeting. | Dave Mara                        |
| 5 mins       | Closing remarks                                                         | Dave Mara                        |
