

New Hampshire's Recovery Friendly Workplace Initiative gives business owners the resources and support they need to foster a supportive environment that encourages the success of their employees in recovery.

**THERE ARE 60,000 GRANITE STATERS IN
RECOVERY FROM ADDICTION.
PEOPLE IN RECOVERY ARE EMPLOYEES AND
CUSTOMERS.**

By becoming a designated Recovery Friendly Workplace, you are recognizing the contributions that recovering individuals make to the workforce while providing an avenue for these individuals to demonstrate their brand loyalty.

RECOVERY FRIENDLY WORKPLACES:

- Foster a safe and recovery friendly environment
- Engage their employees in addiction and behavioral health prevention
- Retain healthy and productive employees
- Promote recovery in their local communities
