I listened with my “hand raised” for the entire three hours on July 16 and was not heard. I will, therefore, address my request to Director Malachi in print. I am requesting you make a public apology for your public denigration of retired Officer Anthony Pivero’s testimony. His testimony was polite and accurate. We must respect and if need be, disagree, in a civil and polite manner and this was uncalled for on your part. Your brash statement calling his testimony “diatribe” was made in a public forum and therefore your apology should be made there as well. Thank you. Linda Wojas
