Hello, I would like to suggest that a discussion how to improve relations with people with disabilities and some law enforcement officers.

Many of us live with hidden disabilities.

This is not a complaint, but a FYI of an area that should be included in your discussions.

Under the NH Constitution and laws many of us are are not considered a “reasonable person” or “ person of average sensibilities” by some enforcement officers

**[Art.] 2. [Natural Rights.]** All men have certain natural, essential, and inherent rights among which are, the enjoying and defending life and liberty; acquiring, possessing, and protecting, property; and, in a word, of seeking and obtaining happiness. Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin.

I am respectfully asking to please consider a discussion and adding “age or disability” to **[Art.] 2. [Natural Rights.]**
