Dear fellow Commission members,

Thank you for letting me pinch hit for Joseph the last few days. As my last act as a very temporary Commission member, attached are the (i) excerpt from *The New Jim Crow* book I referenced in response to questioning, and (ii) the March 2017 and April 2018 N.H. DOJ memos (and press release) concerning the EES list and due process I mentioned at the end of today's meeting (as well as on page 12 of my written testimony). I just wanted to make sure they were part of the record, as I referenced them.

I also just realized that there is an error in my written testimony on page 12, where the "long overdue correction" quote I referenced was from the New England Police Benevolent Association, not the New Hampshire Police Association. Again, thank you for allowing me to participate.

Best,
Gilles Bissonnette
