The following is being sent on behalf of Deputy Attorney General Jane Young.

Good evening:

Attached please find the latest draft of section III (with edits and additions highlighted) as well as the 15 recommendations for discussion tomorrow regarding the remaining subject matters the Commission deems relevant to the overall mission of enhancing transparency, accountability and community relations in law enforcement. As we discussed today, we will hear public testimony on Friday regarding these remaining subject matters. In order to submit our final report by Monday's deadline, we will need to conclude our discussion and voting on the 15 recommendations tomorrow. Thank you for all of your input and efforts.

See you in the morning.
