Dear Sir or Madam:

PLEASE, do not cave to these leftist Marxists! They are trying to subvert our country with this mass mental illness. What racism in New Hampshire? Our police are the BEST in the nation! We love our Policemen, Sheriffs, State Police, Firemen, EMT's, nurses, etc. Please do not comply or even entertain this. Our population is predominantly white, so who exactly is benefitting? Who in this state is being murdered by the police? Nobody is!

The BLM and their violent, roving, rioting, raping, murdering THUGS are here to destroy our country and erase our wonderful history. They will not stop unless We the People push back. Well, I am pushing back!

Please keep New Hampshire safe, and free of Marxist Leninist propaganda and activism. They are out to destroy our great nation, and the people of New Hampshire will not stand for what they want for New Hampshire, and America as a whole. If you give in to their insane demands, we lose our freedoms, we lose civil society, and soon their will be prison camps and gas chambers for Trump supporters and people that think that ALL LIVES MATTER. Hell, they do not even care about black lives, they just want to destroy America.

Look to China and maybe Russia for the root of this subversion.

Thanks very much for your time.
