Qui Custodiat Ipsos Custodes

Who will guard the guardians?

If this be crime, who doth arrest
If treason, who will then attest
If not the law, then I ask who
We citizens can now turn to
To guarantee our sacred right
To safely sleep abed each night
Content that law is still supreme
And not a dashed and blackened dream
The Left reveals itself again
As criminal or worse, but then
We've all believed, we've always known
That history has always shown
That power is the holy grail
Of people who should be in jail
